Meet Mr. Umesh Aradhya, the unassuming and down-to-earth Shimoga resident who was elected the new President of FPA India on December 17, 2014. He started as a volunteer with the Shimoga Branch in 1990 and since then has held various positions at the Branch and at the all India level. His last position was that of Vice President and now has reached the pinnacle as the 8th President of FPA India.

As a volunteer, he mobilized more than Rs 40 lakhs for the Shimoga Branch building. He has also promoted the cause of FPA India enrolling around 100 volunteers for the Branch and played a major role in the formation of the Youth Forum. Being associated with a number of other NGOs, he networked and introduced eminent personalities to the Shimoga Branch. As a result, he was also able to introduce two mobile health clinics for the Branch from the government.

Mr. Umesh Aradhya founded Asha Kiran, a school for the mentally challenged. His academic background of Counseling and Psychology (Master of Arts) gives him the cutting edge to work for vulnerable groups including children. His excellent work was recognized in the form of “Rashtrapathi Puraskar” conferred on him by the Governor of Karnataka. He is also the Chairperson for Karnataka State Commission for Protection of Child Rights since 2012.

Focusing on his passion of child rights, Mr. Umesh Aradhya has provided an impetus to the cause of children through Rotary Clubs and other prominent NGOs. He was the Moderator at the South India Regional Consultation Meet held at Chennai on implementation of The United Nations Convention on the Rights of the Child (UNCRC) in JJ Act. He was invited as a Resource Person at the National Convention on inclusive education for “Children with Special Needs” held in New Delhi.

In his long career, he has been selected as Member on the Advisory Board of Karnataka State Pulse Polio Immunization Task Force Committee, nominated as Member of Task Force Committee to monitor RTE and POCSO Act, made Organizing Secretary of State workshop to train facilitators (Training of Trainers) on the Rights of Children to Free and Compulsory Education Act 2009 and as the Moderator on the panel of Parliamentary affairs Committee headed by Ministry of HRD and WCD on the issue of Implications on children about The Juvenile Justice Bill, 2014.

Inherently shy and quiet and yet firm when it comes to decisions and actions, Mr. Aradhya is slated to take FPA India to greater heights with his strong sense of commitment and zeal. We look forward to his leadership in the three years of his tenure as President of FPA India.

Workshops / Meetings

Young persons and unmet needs
Dr. Kalpana Apte, Sr. ASG(PI), FP AI speaking about the role of CSOs

GBV and FP: A Trauma Lens
A three-day intensive workshop titled “Gender Based Violence and Family Planning: Including a Trauma Lens” for medical officers and counsellors of PFA India. This was a joint initiative of PFA India and DAWN Worldwide (Direct Action for Women Now). DAWN Worldwide is a US based non-governmental organization helping out GBV survivors Dr. Sujatha Warrior, Ms. Meg Bossong and Ms. Geeta Aiyer facilitated the workshop. 32 members from Ahmedabad, Harwani, New Delhi, Dharwad, Jaipur, Calchini, Mumbai, Panchkula and Pune branch attended the workshop.

State level Consultation on Family Planning and Unmet Needs of Young People
In Ahmedabad, a media meet was organized on “State level Consultation on Family Planning and Unmet Needs of Young People”. The Branch also hosted a state level NGOs Follow up Meet on “Strengthening partnership with State Networks to Promote AEP”. Another programme on “Adolescent Education Program” for Govt. Policy Makers & Puncturaries was held by the Branch. The Branch also had an interesting puppet show on Relationship, Diversity, Communication & design making. This is the new innovation in CSE session, where adolescents are imparted knowledge through puppetry.

Asia Pacific CSO (APCSO) forum on Beijing +20 and the Asia Pacific Conference on Gender Equality and Women’s Empowerment, Bangkok

In November, a broad coalition of feminist and women’s rights networks, constituencies and allies prepared for the United Nations Economic and Social Commission for Asia and the Pacific (UN ESCAP) regional and global review of the Beijing Declaration and Platform for Action. The Forum’s purpose was to ensure Asia Pacific civil society has an audible and influential role in reviewing progress and demanding genuine, accountable, and binding processes to finally deliver on the promises made 20 years ago by governments. PFA India representative participated in the forum meetings. Key discussion points and main agreements during this forum were taken into account for the development of the APCSO Statement towards the UNESCAP Conference on Gender Equality and Women’s Empowerment: Beijing +20. More than 460 organizations from 36 countries of the Asia and the Pacific region participated in the 3-day forum. Also, in the same month, the Asia-Pacific States adopted the Asian and Pacific Ministerial Declaration on Advancing Gender Equality and Women’s Empowerment in Beijing. The declaration includes the States’ commitments to accelerate the implementation of the Beijing Platform for Action (BPfA) which will add to the global review process dialogue to be held in 2015 at the 59th Session on the Commission on the Status of Women (UNCWSW).
South Kanara
The Branch organized a clinical health check-up for 34 MSM and TG to mark this day. An HIV Awareness yakshtagana programme was organized as well at Kadiyali, Udupi.

Jabalpur
Awareness and education for the youth segment was the theme at the Branch to mark this day. A special visit of youth forum members to the district network of PLHIVs and Art centre was organized. The youth delegation studied in detail about the network, discussed with the officials of VIHAAN Project (Project of Care and Support), followed by a question answer session. They wore masks specially prepared by Network on the theme stop AIDS, Stop Discrimination. Later, they visited ART center of Jabalpur where they were briefed about the center and a bout the Anti-Retroviral Treatment.

Nilgiris
A series of programmes were conducted by the Branch to mark this day. They included PLHIVs and General Health Camp, programme for young women, school students, youth club members. More than 134 persons benefited from this programmes.

Nagaland
The Branch marked this day with the theme “Focus, Partner, Achieve: An AIDS Free Generation”, in collaboration with the Nagaland State AIDS Control Society (NSACS) and other partner NGOs. Guest Speaker, Nagaland State Legal Services Authority, Member Secretary Mr. Mayang Lima urged the gathering to have in-depth understanding on issues around HIV and put knowledge into action. An impromptu quiz on HIV & AIDS was also conducted over a microphone with pedestrians. OPD sessions at the Reproductive Health & Family Planning Clinic (RHFPC) for PLHIV & People who use drugs were also organized. This helped 41 PLHIV and 34 drug users in Jabalpur.

Gwalior
Branch held various programmes which included a seminar on Child Protection Policy & Child Rights, a workshop on HIV-AIDS awareness, safe abortion awareness and an orientation programme with paramedical students. Jabalpur Branch organized a comprehensive health checkup for 2500 health workers of the Jabalpur Municipal Corporation. Bellary Branch in association with other organizations jointly organized “Orange Your Neighborhood Movement”. The programme emphasized on engaging the community through ‘door to door advocacy’ for stopping violence against women and girls and spreading the message of equality between sexes.

Adolescent Programme Planning and Review Workshop
An Adolescent Programme Review and Planning workshop for Programme Officers was organized at Chattarpur, New Delhi in October for FP AI North Branches and in December at Mumbai for the South Branches. The objectives of the workshop were to review the adolescent/youth programme being implemented by the Branches and to have a clear understanding of CSR, to develop 2015 implementation plan as well as understand the gaps in implementation of the Child Protection Policy. The programme also addressed the new concept on Corporate Social Responsibility (CSR).

During the workshop detailed discussion were held to clarify understanding on addressing "Pleasure", "Sexual Diversity" and "Sexual Citizenship" and how to address these issues with young adolescents. The concepts of CSR were discussed as an important avenue for generating resources at the Branch level. Ms. Geeta Sethi, Secretary General, FP AI inaugurated the workshop in Mumbai and highlighted the importance of working with young people and also emphasized that these workshops are an opportunity for learning. Thirty Seven participants attended the workshops.

JTF Review Meeting
To review the half year performance of JTF project and to build the capacity of the staff on SGRV ART/PPTCT new guidelines, a three day program was organized. Thirty five staff attended the programme. Alan Smith, Senior Adviser (HIV) and Sakuntala Mapa, HIV Officer visited SARO and FP AI (Mumbai, Chennai and Bangalore branches) for an overview of the work by SARO and FP AI. Final findings of the JTF supported project ‘addressing the HIV and SRH needs of informal migrant workers of Chennai Metro Rail’ were discussed.

CSR
Under Corporate Social Responsibility Tata motors Limited has signed a MoU with Dharwad Branch for women, child and adolescent health project. This project aims at safe pregnancy and prevention of malnutrition among children by providing antenatal, postnatal care and adolescent health services.
