

Impact So Far

In the 'Stree Hinsa Mukh Bharat Abhiyaan'

Family Planning Association of India, launched a nationwide campaign #StreeHinsaMukhBharatAbhiyaan aimed at strengthening its work to address Gender-Based Violence (GBV). The objective of #StreeHinsaMukhBharatAbhiyaan is to catalyse civil society action for preventing and mitigating violence against women

The campaign aimed to 'Break The Silence Around Gender-Based Violence' through the following:

PREVENT
violence
through
awareness
and
sensitisation

IDENTIFY
and help
those who
need to
access care
and support

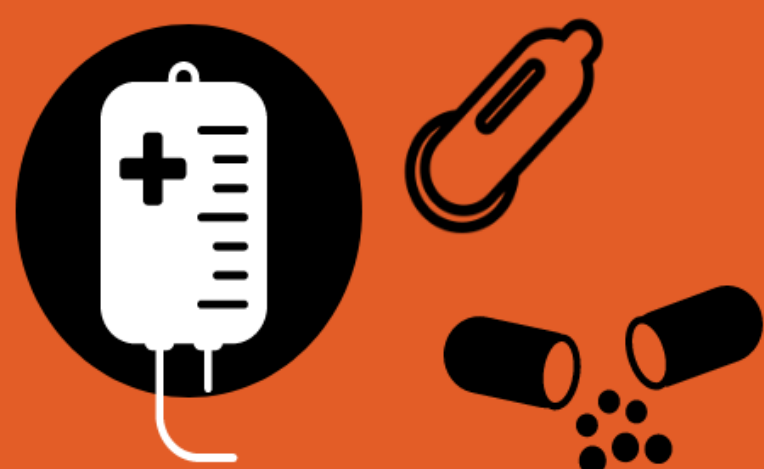

EMPOWER
women with
life-skills to
protect their
rights and
dignity

WHAT DID WE DO?

FPA India helped support the reproductive health needs of adolescent girls and young women by empowering them with the required knowledge, developing critical thinking skills, and means to improve and protect their health, well-being, and dignity; and develop healthy and positive relationships.
