

Family Planning Association of India (FPA India) founded in 1949, is a national voluntary organization which pioneered the family planning movement in India.

We implement wide-ranging programs on sexual and reproductive health and rights, encompassing contraception, safe abortion, maternal, child and adolescent health, sub-fertility, and prevention & management of sexually transmitted & reproductive tract infections, cervical and breast cancer, and gender-based violence (GBV).

OUR VISION

Impacting Lives,
Upholding SRHR,
Sustaining Social Well-being

OUR MISSION

Committed to advancing Sexual and Reproductive Health and Rights, Gender Justice, Diversity, and Inclusion for all, especially the marginalized and excluded; powered by sustainability and accountability, steered by young people.

The individuals and communities we serve include tribals, migrants, sex workers, prison-inmates, those affected by humanitarian crises, persons of diverse sexual orientation and gender identities, persons living with, and affected by HIV/AIDS and injecting drug users.

We Engage and Empower young people by

- 1 Delivering and enabling Comprehensive Sexuality Education in formal and non-formal settings
- 2 Rights-based, quality assured youth friendly SRH service delivery
- 3 Engaging young people as Champions to promote and support SRHR

1,799 Peer Educators trained in 2024

3,39,663 Young people imparted with CSE in 2024

Our Reach

On an average annually, We provide over 19 million services to over 3 million clients through

- 37 static clinics,
- 9 Urban Family Welfare Clinics (UFWCs) (government-funded),
- 80 Outreach units,
- 463 Community Based Providers

Our Impact in 2024
